Serving Traditional
Fish and Chips

There is nothing more British than fish and chips – eaten with salt and vinegar, fish and chips is one of the Great British institutions. Both the North and South of England (Lancashire and London) stake a claim to the origin of Britain's most famous meal, but as we're from the North, we favour Lancashire as the true home of Fish and Chips. Following three generations of family tradition, Gary and Simone Hodgkinson bring you traditional British Style Fish & Chips to the heart of Calgary. As a result of our personal British heritage and our love for nutritious food, we always ensure that:

Our fish is hand cut 6oz fillets of cod or haddock

Our batter is made daily using an old family recipe

Our potatoes are grown for us by a local organic farmer

Our mushy peas are made daily without any colourings or preservatives

Our traditional meat pies are made locally in Calgary

Please note - we encourage you to phone ahead for take out orders.
